## WHAT'S HAPPENED?

Some of our FC Nelson Junior & Youth coaches as well as some of their team managers visited our 'in house' **Referee course** @ Victory Club rooms a couple of weeks ago.

Hosted by NBF's Referee Development Officer Richard Malcolm the event was a great success. Congratulations to all participants for passing the course and receiving their certificates. Well done!

## INTRODUCING THIS WEEK OUR 9TH GRADE TEAMS AND COACHES

### - FC NELSON ROCKSTARS, ROWDIES.

## FC Nelson Rockstars & Rowdies

Due to the **awesomeness** of football at this level, we've been able to field two teams: **FC Rowdies and FC Rockstars**. For many of the team it's their first chance to play team football after coming up through the ranks of first football and first kicks. Grade 9 is an **exciting stage** for the players development, with so many new things to learn!!!

**Tom** moved to Nelson with his family in 2017, and having keen football playing lads in the family, and three years coaching experience behind him, he quickly became swept up into the world of coaching with FC Nelson. Tom's **passion** for football extended to **over 25**

**years playing experience,**

both domestically and abroad, and that has taken him to watch the experts on some of the biggest stages around the world. Tom's playing days are now far behind him; these days you're more likely to find him on a snowboard or a mountain bike trying to keep up with his kids. Tom is really enjoying co-coaching with a **like minded** coach in Julian Trigg and is looking forward to seeing the **kids continue to develop** over the season ahead.

**Julian Trigg** is an active member of FC Nelson. In his 2nd year of Locomotive FC after dropping down from 1st div due to Age and being out classes by the youth coming through, was an easy decision seeing as well FC Nelson **won 1st division** that year. Only to be a part of another Title winning season with

**locomotive FC** 2nd Div, taking out the pass/assist of the season award. This year he has also graduated from coaching 4 to 8 years olds under the guidance of The awesome George Campbell. to co Coach **FCs 9s** with Tom Jolly. The best part of coaching for Julian is, seeing the **smiles** on the kids faces when they play, seeing all the kids improve on their own ability level. As well as when all the kids come up and say Hi on the street. "Makes it all worth while as this is my way of **giving back to the football and wider Nelson community**" Julian has two boys playing in FC Nelson Ethan in the 9s and wee Ashton is playing in fun football. Out side of football. Julian likes to go biking fishing and snowboarding with his family. He's just made the leap of faith to leave his job at Pomeroy's coffee to go out on his own fixing coffee equipment.
