INTRODUCING THIS WEEK OUR 4 FC NELSON 13TH GRADE TEAMS FC NELSON SHARKS, TIGERS, FALCONS AND PUMAS.

Andy Weaver

I am now into my 11th year of coaching at FC Nelson but this is my first year coaching the Sharks. I have spent my time coaching my elder sons team up who is now in 17th grade and have coached various rep teams with my most memorable moment being taking the 12th grade Nelson B team to within a hairs breadth of the final of the Jack McKnight tournament losing 4-3 in the last minute of extra time.

FC Nelson Sharks

13th grade sharks are a team that has in the majority been together for 5 years. Over the seasons the team has developed a great culture and work ethic fostered by previous coach Nigel Gibbins with a cameo season of Nigel Hale added to the mix. The philosophy developed within the team is one of having fun but being competitive on the field.

The boys themselves are successful footballers in their own right with most being members of Nelson Representative teams and the TUA academy.

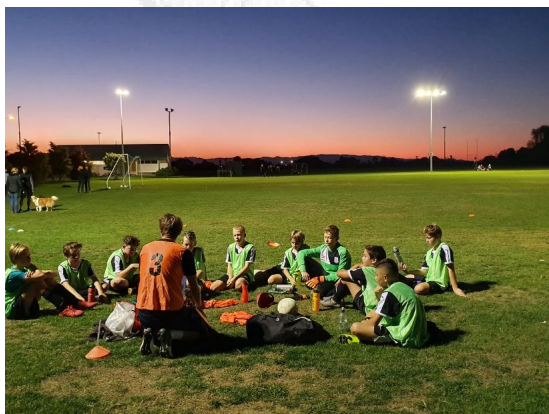

FC Nelson Tigers

The FC Nelson Tigers are a hungry bunch of very talented footballers that have been playing together for a few years now. A few new players joined the tigers crew early this season and added some great value on and off the pitch to this exciting team.

We love to play good football, work hard for one another but above everything else we love a laugh. Training is always good fun and we enjoy the company of each other.

Our strongest rival in the 13th blue division is the other FC team, the sharks. We always have great match ups against them and we are looking forward to playing them again soon.

A thanks to all parents that always support the team on the weekend. It's great to be a Tiger!!

Tj Hansen

It is Tj's first year as the Tigers coach and he absolutely loves it. Great kids, great parents in an overall great team. Fun, laughter and good football that's what we are all about :)

INTRODUCING THIS WEEK OUR 4 FC NELSON 13TH GRADE TEAMS FC NELSON SHARKS, TIGERS, FALCONS AND PUMAS.

FC Nelson Pumas

We are a 14th Grade girls team playing in the 13th Grade Red Division. The team was formed about 8 years ago, and while some players have come and gone, the core remains the same. Originally called the "Angels" the girls decided a few years ago that the name was too "nice" and voted to change to the Pumas. One of the best things about the Pumas is the friendships that the girls have developed over the years and the amazing family support. Recently the team travelled to Christchurch for their first ever tournament and ended up bronze medal winners. Great result for an awesome team!

Kerry Eggers

I'm the proud coach of the FC Nelson Pumas. I have been coaching an all girls team for 8 years and have been involved with the FC Nelson Club since its inception. In that time I have also been a member of our senior 1st division side and I am currently playing for FC Loco in the 2nd division. This year I also joined the FC Nelson committee which has been very rewarding, being able to work with a fantastic bunch of passionate, hard working people, all striving to take FC Nelson to the next level. I'm stoked to see so many teams heading to tournaments this season. Especially for the first time, 2 all female teams who both played with pride and passion, coming away with medals. A big thanks to our team manager, Nic Marshall, for organising the Pumas week in, week out, behind the scenes. All the best for the rest of the season everyone.

Arran James

My name is Arran and this is my first year coaching at FC Nelson. I moved down from Whangarei and coached a 9th grade soccer team up there a few years back. I'm really enjoying the experience and love working with my players, helping them gel as a team and helping them improve individually. I have also really appreciated the support I've had from the club and the parents on my team.

FC Nelson/Richmond Falcons

We are a combined FC Nelson/Richmond boys and girls side that play in the 13th Grade Red division. It's been a challenge this year because we've had to build chemistry with one another and overcome language barriers whilst adjusting to the demands of playing on a bigger field with bigger goals. We have lots of fun though, try our best and have been making lots of progress. The boys originally came from a team called the Ninjas but with more than half the team being new we decided that a new name was important. I got the players to brainstorm some team names and then from those I got the parents to vote for the one they liked the most. That's how we became the Falcons.

WHY. WE. PLAY.

INTRODUCING THIS WEEK OUR FC NELSON 3RD DIVISION TEAM

Paul Kernot

Coach Nelson Bays 3rd Div

I was born in Liverpool UK. My dad took me to my first Everton game when I was 6. The Red side of Merseyside won every trophy there was to win in the 70's. Not the best time to be a Blue!

Passion is and always has been football but I took a short diversion into coaching swimming when I was young.

Have coached the 3rd div FC Nelson team for 5 years now. A great group of lads, completely multi cultural with guys from China, Palestine, Egypt, Kiwi's and always a healthy sprinkling of POMS. We've gone from strength to strength winning the 3rd Div cup three years in succession and last year finished 2nd in Div 3. I love the FC Nelson family and as a club, we're also building and growing with some great people at the helm leading the club onwards and upwards.
