## INTRODUCING THIS WEEK OUR 3 FC NELSON U17TH TEAMS FC NELSON UNITED, JUVENTUS AND EAGLES.

Church Cup team 2019 - United Players Absent - Ben Parker, Joe Leach, Ethan Jeppsen, Bruno Murry

### Coach - Phil Thompson (Juve)

Hi, I'm Phil, coach of the best group of young men in the world!

I've been fortunate to have played some good and enjoyable football over the years both in the UK and NZ, locally with initially Richmond Athletic and latterly FC Nelson Locomotive. One of the founders of the Nelson Marlborough Falcons team and part of the initial Tasman United committee, creating pathways for young footballers is very

important to me. I have the honour to coach the FC Nelson Juventus team.

My principles of coaching are based on recognising the players desire to live in the moment. I strive to remove the negative power of peer pressure and provide a platform for the players to learn horizontally from each other. I believe young men learn from each other as much as from adults and I believe my role is to get these young men to understand that. The philosophy demands maturity and trust within the team. We do have rules within our team based on the clubs code of conduct, so the players have clear boundaries but have a freedom to make decisions and enjoy the game. The players have developed their own high standards of respect for our fellow team mates, our opposition and importantly our supporters. It humbles me to observe this.

My proudest moments whilst coaching this team are not victory or a specific goals scored, but witnessing young boys becoming fine young men.

If you ever have a moment please come and watch this wonderful group, listen to the fun, feel the vibe.

It's why coaching is such a pleasure.

### FC Nelson United

The United U17 team is a quality bunch of players who represent FC to a very high standard. Some players have recently had game time for senior mens teams including the 1st Div. 2019 has been a good year, however not enough to secure top spot. United will probably finish a credible 2nd place in what has been a tough competition. Great effort from all the players and in particular Jamie Mountfort who travels from Takaka to be a part of this FC Nelson community.

### Coach - Iain MacFadyen

I played local Football as the GK for Mapua FC and now coach at FC and referee local football. I've been fortunate during my time at FC to have secure some great players into the teams I've coached. Highlights with FC over 5 years coaching have been three league wins and a Christchurch International Cup gold medal, beating Nomads United in the U13 final 2017.

## FC Nelson Eagles

With coach Richard Scott.

Just a few words about the Eagles playing in the U14-16 grade red competition.

This team came together as a combination of boys who had played for two different FC Nelson teams last year and a few others including a Canterbury refugee, new to Nelson this year. We also have the full age range of boys, from years 10, 11 & 12 from both Nelson Boys and Nayland Colleges. Given such diversity the team has gelled really well right from the outset.

## FC Nelson Juventus

The song of our Juventus team is Juve storia di un grande amore, or Juve (story of a great love) in English ... and that is what our Juve team is about ... a story of a great love of football and mates ...

As many of our supporters say "these boys have found their tribe" Such an appropriate way to describe this fantastic bunch of lads from many different countries and cultural backgrounds including Nepalese, German, Thai, Irish, English, Fijian and good old NZ. One language...football. One vision..unity

A 'special' team, a dedicated bunch of different kids who love footy, give their best, keep learning, play a good style of football, make unforgettable memories and live the 'Juve' way

As in the words of the song, "a story of great love white that hugs black".

The team has progressed well with the benefit of coach Richard Scott and has had lots of good games with the team being more than competitive for this grade. The team has shown great spirit and sportsmanship. It's great to see such a mixed group of young men combining well as a team. They are a pleasure to coach and have great side line support from their parents.

INTRODUCING THIS WEEK OUR

**FC NELSON - OLDIE BUT GOLDIE - MASTERS TEAM**

## FC Nelson Masters

They are an awesome bunch of guys who play together and socialise together, the team is made up of 7 or more nationalities, with the majority of us being over 50! Most of us have now played together for approximately 6 seasons.

Our biggest strength is that we play hard for each other, never wanting to let anyone down. We also play some attractive football at times and generally over a season most of us will get on the score sheet, well maybe not Evo!

## Gorden Haslem

I have now played for FC Nelson for 7 years, first season as player/coach. I have made friendships that will last a lifetime playing for this team - awesome People!
