Players must first report to the Junior Co-ordinator, near the Neale Park Pavilion, to check off your details. Players and parents will then be briefed before each grade trials.

Please ensure you are registered with the club (www.fcnelson.co.nz) before 20th February. Only players who have registered will be eligible to trial.

Please come prepared with boots, shin pads, water, warm clothing and a snack. There will be a bit of waiting around so please bare with us during the process. You are welcome to drop off your player however we would encourage parents to stay for the briefing first. Please ensure you respect pick up times as we would ideally like to limit the players present to their respective time slot.

Please refer to our website for further information www.fcnelson.co.nz

The attached parent/player information sheet outlines what to expect at trials.
